

LIVING YOUR "GOD-GIVEN" STRENGTHS

Strengths Discovery & Development One-Day Retreat

According to Gallup Inc., "in churches all across the United States, people aren't harnessing the power of their innate gifts. They are not fulfilling God's purpose in their lives. And most people don't even know it."

Ever wonder why you do what you do?

Want to improve your relationships?

Wish you could be more energized and effective at work, home, in the greater community and for God?

StrengthsFinder® will help you name the innate talents that drive you in a given activity, whether it is in relating to others or achieving a goal. By naming these talents, you can then begin to maximize them productively so that in whatever God calls you to do, you can be at your very best in fulfilling His will. Discovering your strengths is one of the best ways to improve your energy and effectiveness. If you know your unique combination of strengths and you play to your strengths instead of focusing on your weaknesses, you can dramatically amplify your impact!

"Your calling is what God wants you to do with your life; your talents and strengths determine how you will get it done." (Excerpt from "Living Your Strengths")

JOIN US SATURDAY, OCTOBER 3 AT 1:00PM for a FREE One-Day Retreat! in the Parish Life Center that will begin you on a remarkable journey as we explore how to identify and focus on activities that use your natural God-given gifts.

The result? Leave feeling more energized, impassioned, and purposeful in every aspect of your life — in your relationships, your work, your community, and your role in helping to build the Kingdom of God!
