Total "Steps" taken as a Parish Community:	1,000	861
Amount Pledged for calendar year 2017:	\$2,900,000	\$2,094,810

\$350,000 Challenge Grant: *The Story*

We have Good News to share! In gratefulness to our good and generous God, a married couple from our community just offered our parish a \$350,000 challenge grant that could help us tremendously with our long-term funding needs (in the form of a bequest after the end of their joint lives). The couple miraculously stepped forward in faith and offered us our largest challenge grant ever in order to continue the vitally important process of encouraging and "challenging" all of us to pull together to both increase our regular giving and expand the number of families participating in Parish Sacrificial Giving through the pledging process. In order for the Parish to actually receive this gift, we must first meet all three of the following new "challenges" or conditions for the 2017 calendar year:

- (A) Succeed in encouraging 1,400 families to complete and submit a Sacrificial Giving 2017 commitment card;
- (B) Take a total of 1,000 "**steps**" as a parish community toward our giving percentage goal of 10 percent;
- (C) Actually collect \$2,900,000 in Regular Sunday & Holy Day Envelope Offerings during the next year, beginning January 1, 2017

In our current situation, we could certainly use this \$350,000! Please do what you can... The commitment card has a place for you to recommend (1 card per family) where you would like to see this grant money channeled. Thanks in advance for helping us to meet this "challenge" by placing God first.

Sacrificial Giving: Planned, Proportionate, & Sacrificial
