**Is being a mother what you thought it would be? The exhaustion, monotony, mounting unfinished projects, loss of a sense of self ... Too many moms feel disillusioned and overwhelmed.**

*Momnipotent* validates the dignity and importance of motherhood and will help you recognize your uniquely feminine strengths. Come join fellow moms and see how you can use those strengths to find peace, balance, and joy in being the woman God created and called you to be.

*“Momnipotent will help you move to the next level in your vocation by empowering you with feminine strengths for your vocation. Whether you’re a new mom, a seasoned veteran, or even a spiritual mother, this book will be a true blessing for you and your family.”*
