JOURNEY TOGETHER THIS LENT BY GIVING SMALL GROUPS A TRY

In this broken world, more than ever we need to lead people to our Lord and Savior, Jesus Christ – To experience His love, share His story, His plan, and restore hope. Small Groups is that perfect system where this happens. We challenge each other to break open the Sunday experience, pray, be authentic and help one another grow in faith and become productive disciples for Christ in the everyday demands of our lives. Small Groups helps every parishioner feel they belong to a community that loves God, loves others, loves them.

As we approach the sacred season of Lent, take a step in trying a small group. This is a great way to prepare your inner heart for this season of prayer and intimacy with God.
