

SAINT MARY MAGDALEN

Fill the Food Truck Food & Necessities Drive October 17 - 18, 2020

Our annual Fall Food Drive is opportunity to have a direct impact on the lives of the less fortunate right here in our community as we work with The Christian Sharing Center food pantry. Help those who are especially impacted by the pandemic.

The weekend of October 17-18, let's fill the big yellow truck with canned, boxed and non-perishable food and other supplies. Your donation can be dropped off at the BOGOGO cart at the church entrance or given to a friendly BOGOGO volunteer at the large truck in the church parking lot, before Mass. Throughout the month, donations also are accepted before weekend Mass at our BOGOGO carts.

Our goal: 2020 pounds of donations, hundreds of families fed. And as part of our Walking With Moms in Need initiative, our diaper goal: 2020 diapers collected, hundreds of happy babies and families.

ONE COMMUNITY 2020!
