

SAINT MARY MAGDALEN

Fill a Virtual Baby Bottle

in Support of Mothers and Life Choices

October 3 – November 1, 2020

Our annual initiative, held during Respect Life Month, financially supports the life-saving ministry of Life Choices Medical Clinic (www.lifechoicesfl.com) on Maitland Avenue. This non-profit organization provides free services such as medical assistance, prenatal services, counseling, adoption referrals and gifted baby supplies.

Our drive is going online this year. You can donate by going to the parish website www.StMaryMagdalen.org, click on the Donate Button and again on the Give Online link. You can also go directly to our giving page by typing this web address in your browser: <https://www.osvhub.com/stmarymagdalen/funds/baby-bottle-drive>

ONE COMMUNITY 2020!

This is just one of the ways we are Walking with Moms in Need this year. You can get involved in this nationwide initiative by the U.S. bishops – a year of prayer and service to pregnant and parenting moms in need in our neighborhoods. Go to www.walkingwithmoms.com to learn more.

Organized by the Respect Life Ministry
