

PREPARING FOR HURRICANE IAN

Tuesday, September 27, 2022 – As we monitor Hurricane Ian, our prayers and hearts are with you and your family. Please take this time to prepare and be safe and to look out for your neighbors.

Based on storm projections as of Tuesday, we are making plans for the following closings and cancelations:

MASS & CHAPEL: The church and chapel

will be closing at 8pm Tuesday. Canceled: The 7:30am Wednesday and the 7:30am and 7pm (Spanish) Masses on Thursday. If weather permits, we plan to celebrate Mass on Friday morning.

MINISTRY & PARISH ACTIVITY: On-campus programs are canceled Tuesday evening through Friday.

SCHOOL AND EARLY LEARNING CENTER: Our school, ELC and after-school programs will be closed Wednesday-Friday.

PARISH OFFICE: The parish office closes Tuesday at 6pm and will re-open on Monday, October 3. The office will be closed Friday for the funeral of Fr. Michael.

Reopening of St. Mary Magdalen Parish, School and Early Learning Center – and the resumption of our Daily Mass schedule – is dependent upon Altamonte Springs conditions and the local church and campus situation.

We will keep you informed via email, social media and the Parish website – and updates as soon as possible to the Parish main phone line (407) 831-1212. All of these forms of communications will depend upon availability of power and phone service.

Before and after the storm, please use good judgment before venturing out as conditions could change from what we know now.

Praying for you and your family's safety,

Father Charlie
Pastor

CELEBRATION OF LIFE | Fr. Michael Burke

We continue to plan for the Celebration of Life for Fr. Michael Burke on Friday, September 30. Viewing will take place from 10am-11am with the funeral mass starting at 11am. A reception will follow in the Parish Life Center. The funeral mass will also be livestreamed. Please check our website at StMaryMagdalen.org for livestream information.

As we monitor the effects of the weather, should plans for the funeral need to be altered, we will send an update on our communication channels.
