## LONG-SLEEVE SHIRT COLLECTION

Field workers appreciate having long-sleeve shirts for protection from the sun and pesticides. Bring you shirt donations the weekend of **March 15-16** before all Mass times for this special Lenten drive day and help us beat last year's collection of 640 shirts.

What is needed: Clean and gently used long-sleeve, button down shirts for men and women. The shirts will be sorted and sent to the Apopka Farmworkers of Florida.

*Lo que se necesita: Camisas de manga larga limpias y levemente usadas para hombres y mujeres. Las camisetas serán clasificadas y enviadas a los Trabajadores Agrícolas de Apopka en Florida.*
