What is Sacrificial Giving?

"Sacrificial Giving begins with the recognition that everything we have has been given to us by God and is based on an understanding that as Christian stewards, we receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord."
 – United States Bishops' Pastoral Letter on Stewardship

A PRIORITY

Part of our planning ensures that we give the "first fruits" – gifts given first and not after obligations have been satisfied.

PLANNED

Giving is integrated with other financial decisions as part of a careful, intentional response to God's generosity.

SACRIFICIAL

Our gift becomes sacrificial when it comes from our substance rather than our abundance.

AN EXPRESSION OF GRATITUDE

If we truly believe that God gives us all that we have, gratitude is our first response.
